took a class of men, all over 21 years of age, as she said that she thought the male generation at that age needed more Chris-tianity than at any other. So earnest was she in her work that she would make the rounds of the back seats of the Sunday school and drag forward the men who had come only to see the girls and be seen by them. This earnest young teacher would then take them in her class and teach them to walk in the straight and narrow path. This Sunday she noticed a chap about 30 years old in the rear of the church. She saw that he was a stranger and thought there was a decidedly worldly look about his carefully arranged attire, In a moment the earnest young teacher had made up her mind and invited the young man to become a member of her class. The stranger blushed slightly with surprise, and probably with pleasure at the thought of being in the bandsome teacher's class. Soon he had taken a seat, appearing perfectly at home. The teacher was surprised to hear the stranger answer all the difficult Biblical questions with perfect ease. Finally an amused smile was observed on the new scholar's face. A NARROW ESCAPE! How it Happened.

How it Happened.

The following remarkable event in a lady's life will interest the reader: "For a long time I had a terrible pain at my heart, which fluttered almost incessantly. I had no appetite and could not sleep. I would be compelled to sit up in bed and belch gas from my stomach until I thought every minute would be my last. There was a feeling of oppression about my heart, and I was afraid to draw a full breath. I couldn't sweep a room without sitting down and resting; but, thank God, by the help of New Heart Cure all that is past and I feel like another woman. Before using the New Heart Cure I had taken different so-called remedies and been treated by doctors without any benefit until I was both discouraged and disgusted. My husband bought me a bottle of. Dr. Miles' New Heart Cure, and am happy to say I nover regretted it, as I now have a spiendid appetite and sleep well. I weighed 15 pounds when I began taking the remedy, and now I weigh 130's. Its effect in my case has been truly marvelous. It far surpasses any other medicine I have ever taken or any benefit I ever received from physicians,"—Mrs. Harry Starr, Pottaville, Pra., October 12, 1862.

Dr. Miles' New Heart Cure is sold on a positive guarantee by all druggists, or by the Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, 51 per bottle, six bottles 55, express prepaid.
